

Welcome Message

Symposium President

Welcome to Takamatsu!!! On behalf of the organizing committee, I would like to extend our warmest welcome to all participants of The 7th Japan-Korea-Taiwan Symposium on Maternal-Fetal Medicine held in Takamatsu, Kagawa, Japan.

In this symposium, two parallel sessions (30 oral presentations from three countries) will be held in the morning on August 25 (Fri). Two Luncheon Seminars, Presidential Lecture, International Symposium on “Clinical application of 3D/4D ultrasound in Obstetrics”, two Plenary Lectures, and 40 Year Memorial Lecture, all in English, will be held in one room in the afternoon on August 25 (Fri). After these special lectures in the afternoon, we will have a Congress Banquet at night on August 25 (Fri). We will serve delicious Japanese foods and Sake, especially Kagawa’s soul food, Sanuki-Udon (the best classical noodles in Japan), and special entertainments. Please enjoy this special event. We believe that this symposium will be an exciting and exhilarating meeting.

In Kagawa (called Sanuki in ancient times), there are many beautiful places, such as Setonaikai National Park, Seto Long-Bridge, Sessha Konpira-gu (Kotohira-gu) shrine (Guardian deity of seafarers shrine), and Ritsurin Garden (one of the top three Japanese gardens). We also have many delicious foods, such as Sanuki-Udon (Kagawa is called the Udon Prefecture in Japan because of these famous noodles), Honetsukidori (grilled garlic chicken on the bone), olive fruits, olive beef, Sanuki-yume pork, and seafoods from the Setonaikai-sea. Kagawa has many secrets awaiting your discovery.

We are looking forward to welcoming you to Takamatsu.
We wish all of you a wonderful time in Japan.

Prof. Toshiyuki Hata, MD, PhD

GENERAL INFORMATION ABOUT JAPAN

Passport & Visa

To visit Japan, visitors must have a valid passport. A visa is required for citizens of countries that do not have visa exemption agreements with Japan. Please contact your nearest Japanese Embassy or Consulate for visa requirements.

Duty Free Imports

Personal effects and professional equipment can be brought into Japan duty free as long as the items and quantities are deemed reasonable by the customs officer. Visitors can also bring in 400 cigarettes, 500g of tobacco or 100 cigars ; 3 bottles of alcoholic beverages ; 2oz of perfume ; and gifts and souvenirs with a total market price of less than 200,000 yen or equivalent.

There is no allowance for tobacco or alcoholic beverages for persons aged 19 years or younger.

Firearms and other types of weapons and narcotics are strictly prohibited.

Insurance

The organizer accepts no responsibility for accidents that might occur. Delegates are encouraged to purchase travel insurance before leaving their home countries. Insurance plans typically cover accidental loss of belongings, medical costs in case of injury or illness, and other risks of international travel.

Climate

The temperature in Kagawa in August could range between 24°C-32°C.

Currency Exchange

Only Japanese yen (¥) is acceptable at regular stores and restaurants. Certain foreign currencies may be accepted at a limited number of hotels, restaurants and souvenir shops. You can buy yen at foreign exchange banks on presentation of your passport.

Traveler's Checks & Credit Cards

Traveler's checks are accepted only by leading banks and major hotels in principal cities, and the use of traveler's checks in Japan is not as popular as in some other countries. VISA, MasterCard, Diners Club, and American Express are widely accepted at hotels, department stores, shops, restaurants and nightclubs.

Tipping

In Japan, tips are not necessary anywhere, even at hotels and restaurants.

Electricity

Electric current is uniformly 100 volts AC throughout Japan. However, electricity is provided at either 50 or 60 cycles, depending on location : 50 cycles in eastern Japan (including Tokyo) ; and 60 cycles in western Japan (including Kagawa). Leading hotels in major cities often provide two types of electrical outlets (100 volts and 220 volts), but their sockets usually accept only two pronged plugs.

Shopping

Shops and other sales outlets in Japan are generally open on Saturdays, Sundays and national holidays as well as weekdays from 10 : 00 to 19 : 00. Department stores, however, are closed on one weekday a week differing by store. Certain specialty shops may not open on Sundays and national holidays.
